

Seychelles International Trade Zone (SITZ)

The Seychelles International Trade Zone was created to allow for cost-effective international trading in and through the Seychelles. All such Zones are effectively considered as ex-territorial, and as such, some specific laws do not apply. The laws that govern such operators' operations and financial freedom are designed to give an international competitive edge to the operator and cater to the needs of redistributors and exporters of goods and services.

Concessions granted to businesses

Value Added Tax (VAT) not applicable
Customs Duty 0%
Competitive annual licence fee
Free working permits for foreign labour
100% foreign ownership is permissible

Other benefits to be located in Seychelles;

- Politically stable
- Good time zone to deal with other markets
- Seychelles is well located to be a trading hub
- Utilities price may be competitive

Allowable businesses activity in the SITZ

- Exportation of goods from Seychelles to foreign markets
- Light assembly, manufacturing or processing of goods for foreign markets
